Enterprise + SpotHero

Reserve the vehicle.

Reserve the parking.

Team Introduction

Kedus Corra

Preetum Chokar

Paul Lepeintre

Tony Bin

James Do

Problem Overview

Enterprises Problem – How does enterprise appeal to a younger generation?

PARKING TOLL

- 73.5% of drivers report that **finding parking is a major source of stress**
- 53% of adults admit they will **avoid or cancel plans** for difficult parking
- 63.5% of people admit to being **late or entirely missing the start** of an event (e.g. Concert & Sports)

COST OF PARKING

- On average drivers waste **17 hours** a year to find parking, costing **\$345 in fuel**
- Gen Z & Millennials traveling to unfamiliar, high-density cities waste finding parking per driver:
 - **Los Angeles:** 85 hours
 - **San Francisco:** 83 hours
 - **Seattle:** 58 hours

Enterprise + SpotHero

Reserve the vehicle. Reserve the parking.

Integrate advance parking reservations into the Enterprise rental journey to reduce a key convenience disadvantage

MAIN STRATEGIC IDEA

Make driving feel as predictable as being dropped off.

Search friction

Compare unfamiliar parking spots.

Price uncertainty

Parking costs vary.

Availability risk

Popular destinations may sell out.

Spot reserved

Problem Overview

Proposition

Implementation

Industry Dynamics

Financial Impacts

Conclusion

What SpotHero Does

SpotHero converts destination parking from an uncertain search into a pre-booked reservation.

HOW IT WORKS

- 1

Search near a destination
- 2

Compare price and walking distance
- 3

Reserve and pay in advance
- 4

Receive digital entry instructions
- 5

Navigate directly to the parking location

Customer Segment

Enterprise renters most exposed to parking anxiety are urban travelers with high trip expectations.

DEMOGRAPHICS

Millennials & Gen Z Workers

PSYCHOGRAPHICS

“Access Over Ownership”, seamless, on-demand, digital.

GEOGRAPHICS

Major metros; traveling to unfamiliar, restrictive parking cities.
As well as concerts & sporting events

Problem Overview

Proposition

Implementation

Industry Dynamics

Financial Impacts

Conclusion

Enterprise-Exclusive Features

The partnership must offer more value than sending customers to the SpotHero app separately.

One connected booking process

PRICE ADVANTAGE

- Enterprise-exclusive discounts
- Parking credits with qualifying rentals

PACKAGING

- Event rental + parking bundles
- One customer-support experience

LOYALTY

- Enterprise Plus points on parking
- Parking extensions in the Enterprise app

PERSONALIZATION

- Recommendations based on rental dates
- Vehicle-size appropriate spaces

Example Customer Journey

A family rents an Enterprise SUV for the World Cup Final at MetLife Stadium on Sunday, July 19.

WITHOUT THE PARTNERSHIP

- Reserve the vehicle
- Search separately for parking
- Compare unfamiliar garages
- Worry about spaces selling out
- Pay another provider

WITH ENTERPRISE + SPOTHERO

- Reserve the SUV
- Select the game as the destination
- Choose a guaranteed parking space
- Pay for vehicle + parking together
- Navigate directly to the garage

Problem Overview

Proposition

Implementation

Industry Dynamics

Financial Impacts

Conclusion

Enterprise Value

The partnership improves convenience while creating differentiation, loyalty, and incremental revenue.

STRATEGIC TAKEAWAY

Parking integration turns a customer pain point into a competitive advantage.

Higher Conversion

Customers hesitate less when parking is predictable. Not just car rental - complete trip confidence.

Differentiation

A more complete journey than Hertz or Avis.

Loyalty Growth

Enterprise Plus gains useful trip benefits.

New Revenue

Referral, commission, or bundle upside.

Problem Overview

Proposition

Implementation

Industry Dynamics

Financial Impacts

Conclusion

Risk & Mitigation

The three risks most likely to threaten launch, and how the plan addresses each one.

1

API Downtime / Crashes

- SpotHero's system crashes during peak hours, freezing Enterprise's core car booking flow.
- **Asynchronous Checkout:** Decouple the flows, allow the car rental to finish instantly and process the parking pass in the background.

2

App Abandonment

- Extra checkout steps cause users to quit booking.
- **1-Click Opt-In:** Add a single, simple checkbox on the final confirmation screen.

3

Competitor Adoption

- Rental Competitors might adopt Spothero into their services
- **Create High Switching Cost:** Co-branded, preferred placement in the Enterprise app so their synonymous with one another

Problem Overview

Proposition

Implementation

Industry Dynamics

Financial Impacts

Conclusion

Key Performance Indicators (KPI's)

Three metrics that show whether the pilot is changing customer behavior, not just adding a feature.

Age Adoption Rate (%)

% of weekend mobile reservations opting into prepaid parking at checkout.

Are they Gen Z & Millennials?

Premium Segment Elasticity

Tracks if guaranteed event parking drives users to upsell to higher-margin SUVs/Crossovers (45-55% gross margins).

Repeat App Open Rate (Stickiness)

Measures mid-trip app opens for active parking navigation and loyalty tracking.

Problem Overview

Proposition

Implementation

Industry Dynamics

Financial Impacts

Conclusion

Industry Dynamics

Macro shifts in behavior and technology that shape where parking fits into the trip.

Current Trends

Experiences over Possessions

Growth of demand for sporting events, festivals, concerts, and memorable experiences.

Urbanization

As cities become more populated, parking becomes scarcer.

Digital Adoption

Digital adoption (smartphones, digital wallets) have made it possible for everything to be in one place.

Future Trends

Increased EV Adoption

The inconvenience of charging rental EVs can be met with the ability to reserve EV-capable parking.

Future of Autonomous Vehicles

Pre-designated parking simplifies autonomous vehicle venue access.
